

Paradise Town Council
December 5, 2018
7:00 p.m.

Council Members Present- Mayor Atwood, Martell Lowe, Shannon Rasmussen, Larry Johnson, Alyssa Petersen (recorder)

Community Members Present- Paradise 4th Ward, 11-year-old Scouts.

Minutes- The Minutes of November 19, 2018 were emailed to the Council Members previous to the meeting. Shannon made a motion to approve the Minutes of November 19, 2018; Martell seconded that motion, all in favor.

Bills- Martell read the bills. Martell asked about clarification on the Fire Department pay. Martell made a motion to approve the Bills as read; Shannon seconded that motion, all in favor. A check for Tyrell Fredrickson for 738.62 was added to the list. There wasn't a time sheet for Tyrell included with the original packet of time sheets that was turned in before the meeting. Troy turned in a time sheet for him at the meeting. Shannon made a motion to approve the amended check list with Tyrells check included, making the total bills paid \$35,429.73, Larry seconded that motion, all in favor.

Public Comment- The Scouts wondered where the money comes from that pays the monthly bills. Mayor Atwood explained where the money came from and that some things can only be paid with certain funds, like money for the roads comes from the road account.

Department Expenditures-

- **Approved Expenditures-** There was a discussion on some of the expenditures that have been approved and payment was made today, like Garrett and Company for the swing set and Fire Department pay.
- **Fire Department- New Truck-** They received 4 bids from: Heritage for approximately \$45,000.00, Larry H. Miller Ford for a one-ton 350 for \$41,600.00. Murdock Chevrolet was at \$56,114.00. All of these bids are for only a chassis. A 3500 one-ton was \$41,045.00 from West Motor Company in Preston. Troy thinks that the West Motor and Murdock Chevrolet are not trucks that will work. All bids were for new 2018-2019 trucks. Troy thinks that the color for all the bids is white; they could order a red truck in by March. The Fire Department feels the best truck will be a 450 or 550 as they have a longer bed and could work well for the Fire Department. They are planning on it being an additional \$28,000.00 to outfit the truck. The bed, pump, grill, tank, boxes, etc. They feel it is necessary to purchase a new truck to fit more people and they would like a little more power. The old truck blue books for between \$6,500 and \$9,600.00. It has 83,000 it is a 7.3 liter diesel 97 F350. They want to sell Brush 90 and the green Engine 91. Engine 91 is worth about \$10,000.00. They are expecting approximately \$41,149.00 to come in from the Fires they have fought, plus two more fires they

didn't have exact amounts for tonight. There was a lengthy discussion on budgets and purchases and expected expenditures over the next few years.

Council Reports

- **Roads - Martell Lowe** – Martell will pick up the cap for the mower. Alyssa paid for it over the phone and he will bring the receipt in to the office. Martell wondered about possibly needing to take out more trees around the new road at 8600 S. He is concerned about some visibility issues at the highway and where 8600 S. will go. Mayor Atwood is required to submit an application for the streetlights at the new road. He has talked to Rocky Mountain Power and will fill the application out online and get it submitted. Shannon reported that she has received a few complaints about a muddy mess on 350 W. There is a portion of irrigation line that needs to be moved. Mayor Atwood has been in contact with Jason Summers the Irrigation Company President and discussed moving the portion of the line with him.
- **Water - Vic Little** – Vic is excused from the meeting. The homeowner at 9500 S. and Highway 165 is boring under the road. Vic and Lee checked on the boring and discussed using a mapping system with the iPad that we can keep track of GPS coordinates for water lines, etc.
- **Community- Shannon Rasmussen-** Shannon reported that 6 to 7 kids attended the activity where they took dinners to a few families around town. She reported that she charged three pies and some rolls at Riddleys. The Youth Council will be having an end-of-the year party. Shannon would like to get a few Little Caesars Pizzas for the party. The party will be on December 20 at Shannon's house.
- **Fire/Grants/Budget- Larry Johnson-** Troy and Blake brought in the money from the Trap Shoot held November 24, 2018. They brought in 3179.00. They had expenses of \$1441.48. They 42 kids in the youth draw. They shot 17 rounds of youth trap, and 33 Rounds of adult trap. They sold 1116 tickets for the raffle. They gave away two youth guns that had been donated.

Unfinished Business -

Property Clean-up- The residents with the property that needs to be cleaned up have still not been cited. The deputies have not been able to locate the owners of the property in order to cite them. The deputies will continue trying to locate the property owners and they will be cited and fined from the date the deputies originally tried to serve the citation. Mayor Atwood will follow-up with the deputy and see if the property owners may have been cited today.

New Business -

Mayor Atwood reported that the Town is a partner in a secondary irrigation line that runs from the east of the cemetery and is shared with the property owners east of the cemetery, and the cemetery. There is a need for a new head gate project. Once the project is complete, there will be power and a regular power bill that will need to be shared between all the users of the line. Mayor Atwood would like to open a different account at Cache Valley Bank that the Town will manage and the bills will come out of the account. It will be set up with the same signers as the Towns account at Zions Bank.

Adjourn- Shannon made a motion to adjourn, Martell seconded that motion, meeting adjourns at 10:34 p.m.

Alyssa Petersen, Clerk

Lee Atwood, Mayor
